SUBJECT : TENDER BULLETIN NO. 1 – RESPONSES TO THE QUERIES RECEIVED

With reference to the above mentioned subject and as per the technical queries received from the participants. Below are the following technical responses.

No.	The Participant's Query	Technical Responses
1	Kindly arrange for site visit schedule.	Site visit schedule will be conducted on Monday, June 25, 2018 at 10:00 AM to visit the execution sites and have a better understanding and clearer view on the nature of the Transportation Services subject to the above mention public tender. The entire representative should be available at QNCC New Admin Office @ Umm-Bab to attend the said site visit and for further technical clarifications. Please send us the confirmation for the name of the entire representative that will attend the scheduled site visit along with a copy of their ID or passport to be attached.
2	Kindly provide the following documents: a) Soil investigation report for sand quarry (including layers: type, thickness, specification...). b) Topographic survey.	These related documents are not related in the scope of any service provider.
3	Kindly confirm allowed excavation depth within works place area from existing ground level.	Depth of sand bed is from few inches to a maximum height of 20 meters.
4	Kindly confirm that project duration 12 month including mobilization.	Project life will start from the day of starting supplying sand to Sand Washing Plant, mobilization of equipment is excluded from 12 months duration period.
5	Kindly provide time allocated to start sand production after mobilization.	One to two weeks can be given for mobilization of equipment to the site and to start making stocks properly.

To be continued.....
