**SUBJECT : TENDER BULLETIN NO. 3 – RESPONSES TO THE QUERIES RECEIVED**

With reference to the above mentioned subject and as per the technical queries received from the participants. Below are the following technical responses.

No.	The Participant's Query	Technical Responses
1	Please confirm that QNCC will provide the water that can be used for reducing the dust and flatten the road (road maintenance).	<b>Water might not be provided by QNCC but water tanker and rest of formalities shall be fulfilled by contractor.</b>
2	Please confirm that QNCC will arrange suitable free accommodation for contractor's drivers/operators and personnel operating on the project.	<b>Accommodation can be provided if its available on rental basis.</b>
3	Please confirm that QNCC will avail free space for arranging a smaller workshop to prevent repair light break downs.	<b>Suitable lay down area can be given to the contractor, just for maintaining any temporary breakdown of equipment's in site.</b>
4	We understood from the site visit that the diesel can be availed by QNCC and the same will be back charged to contractor. In this case, pls. confirm the diesel supply rate which QNCC will be charge to contractor.	<b>Diesel will be contractor's responsibility.</b>
5	Please confirm the job commencement date.	<b>As mentioned in the scope of services it will be on 09.08.2018.</b>
6	We would like to request for an extension until 5 <sup>th</sup> July 2018 to submit our proposal.	<b>Not acceptable.</b>
7	With reference to tender document (scope of service & appendices list – if any). Scope of transportation services part 3.5 – page 32 "Commitment with to implement the periodic maintenance of internal factories and the roads leading to the company's sand quarry, and so for the duration of the implementation of the contract, and to commit to when during the execution to maintain the cleanliness and at the end of the contract execution period to evacuate these sites from any remnants or wastes." As on site visit we noticed that the roads are used by the 2 contractor (Al Able and Al Qamra). QNCC will manage the interface between the two contractors.	<b>Each contractor on each side.</b>
