<b>S. #</b>	<b>The Participant's Queries</b>	<b>QNCC Responses</b>
1	QatarEnergy detailed drawing of the pipeline and associated fittings with depths is required. Kindly advise	Qatar Energy have not shared any details of their facilities.
2	Confirmation required on the surge analysis requirement as it will have a major impact in our proposal	Qatar Energy have not shared any details of their facilities.
3	Kindly confirm if the existing culvert could be used for the rooting of the new pipeline and if space is available or not. This will have a major impact on our proposal, therefore, confirmation is required	QNCC already requested Qatar Energy for the authorization of the use of existing culvert, feedback yet awaited.
4	Request an extension of additional 2 weeks from the your responses date in order to provide you with our best technical and commercial offer	It has been decided to grant an extension period to provide more time to submit your competitive offer.  Therefore, the new closing date for the aforementioned Public Tender will be read on: Tuesday, May 2, 2023, on/or before 12:00 noon.  Accordingly, you are expected to make both the Tender Offer and Tender Bond validity effective on the new closing date.
